<p>* Commission is calculated in pips of spread. The value in dollars per lot is given as an example of the size of the commission per 1 lot for a currency pair EURUSD.</p> <p>** Commission is accrued if your client is either an investor in a PAMM account or a PAMM account manager. The commission for trading on a PAMM account is accrued in the amount proportional to the share of your investor client or your PAMM manager client in the PAMM account.</p>
